PASTOR ROBB'S NOTES

The Torah portion is tedious for a while. Details instructions don't have a lot of value for our lives, but by the end of the week something exciting happens. The worshiping of the gold bull is not a great choice. In the Prophets portion, we have the Golden Era of Israel. This is why King David is so venerated. This is the good stuff. The fall is coming though...

In Acts the term “Christian” is first used and the story shifts to focus on Paul and his adventures.
