PASTOR ROBB'S NOTES

Aaron is an oft-overlooked person of the Torah, but he takes center stage as the descriptions of the priestly duties emerge. We also get a lot of the details about clean and unclean animals. It can be tedious, but gives a good picture of the religious world Jesus was born into. In the Prophets readings, we have the death of David and the transition to Solomon, but not without some difficult complications. Romans 5 might be the most influential chapter of the entire Bible, inspiring much of the Protestant Reformation in both Martin Luther and John Wesley.
