PASTOR ROBB'S NOTES

With Exodus finished, the Torah portion is going to be more of a slog. The death of Moses is a fascinating story (ask me about the funny part some time). In 2 Sam, we get to the rough part of David's story. God warned them what happens when you get a king! Paul's story in Acts gets interesting as he starts to start churches in Asia minor and gets into all sorts of troubles and adventures.
