PASTOR ROBB’S NOTES

TORAH: This is pretty tedious stuff, but chapter 5 includes ways to deal with adultery, some of which are important texts for those who are pro-choice. There is an argument that part of this is a proscription for ending unwanted pregnancy. The debate goes on...

PROPHETS: 1 and 2 Kings are not meant to be separate books, they just couldn’t fit on one scroll. The death of Elijah at the end of the week is an important story to note.

NEW TESTAMENT: Contains the most famous part of Paul’s writings in the modern c- “The Love Chapter” is read at many weddings, but now you see its intended context has little to do with marriage, but is about how we are to live as a community.
