PASTOR ROBB'S NOTES

TORAH: The death of Moses and transition to Joshua, here ends the Torah portion of our year through the Bible. For continuity's sake, consider starting into Joshua after this.
PROPHETS: Hezekiah is a great reformer who shows what good leadership could look like. Unfortunately, it's too little, too late. Isaiah 40 starts a shift that many consider to be Second Isaiah, when the exile has begun God's tone shifts to comfort.
WRITINGS: We return to describing Lady Wisdom and the famous Woman of Proverbs 31. This is a song of praise for what women do, not a list of demands for women to do.
NEW TESTAMENT: Hebrews is one of the most inscrutable books of the NT. It is difficult to understand without knowing about Second Temple Jewish worship practices.
