PASTOR ROBB'S NOTES

PROPHETS: These are largely words of comfort, reminding the people to stay awake and be ready for restoration. It calls upon the memory of the ancestors and how God has saved the people in the past, and will again.

WRITINGS: Sifting from Song of Songs to Job is whiplash. By the end of the week, we will see Job's destruction and his friends start to offer conventional (Proverbs) wisdom. Spoiler alert: it is not satisfying.

NEW TESTAMENT: Many people love James as one of their favorite books of the NT. Martin Luther said it wasn't worth straw. Many social justice advocates might consider themselves "James Christians"
