PASTOR ROBB'S NOTES

PROPHETS: We're into the heart of Third Isaiah, when God's proclamations are for hope and a new future. The exile is over and the rebuilding can begin. This is great timing as we move into a series focused on Isaiah

WRITINGS: Job's response to his friends is an impassioned defense. They will not let go of traditional wisdom, which says he must have sinned. Job's words get pretty bleak, and there isn't a lot of good news in this part of Job.

NEW TESTAMENT: 1 and 2 Peter were probably not written by Peter. These are generally considered some of the latest writings of the New Testament and has some of the most developed theology of who Jesus was.
