GATHERING OF THE PEOPLE

Prelude

Greeting

Call to Worship

**When we gather together, Hallowed be thy name
When we sing together, Hallowed be thy name
When all have enough to eat, Hallowed be thy name
When we forgive each other, Hallowed be thy name
When we follow God's path of love and grace,
Hallowed be thy name.
Thy Kingdom Come, Amen.**

Prayer of Confession

Holy and Gracious God, we come to you with broken hearts. We are broken by the cruelty of our world, by the suffering of your children, and by the hardened hearts that turn away from the hungry, sick, lonely, despised, and oppressed. Yet when we pause a little longer we know that we are a part of the cruelty. Our own self-interest and comfort has hardened our hearts to the plight of others. Forgive us as we forgive others. Soften our hearts so we may soften others' hearts. Empower us by your grace so we may be a force for the empowerment of others. We ask this in the name of Jesus. Amen

PROCLAMATION OF THE WORD

Luke 11:1-4 (CEB)

"Jesus was praying in a certain place. When he finished, one of his disciples said, "Lord, teach us to pray, just as John taught his disciples."

Jesus told them, "When you pray, say: 'Father, uphold the holiness of your name. Bring in your kingdom. Give us the bread we need for today. Forgive us our sins for we also forgive everyone who has wronged us. And don't lead us into temptation.'"

CARING CONVERSATIONS or REFLECTIONS

- ◇ **Thinking about "Daily Bread":** On Sunday Pastor Robb called us to a spiritual and physical fast. How does the Lord's prayer change if we hear the cry for "daily bread" to be the voice of the hungry, voiceless, and oppressed in our society?
- ◇ **Thinking About "Forgive us our trespasses":** This might be the most difficult part of the prayer. When we ask to be forgiven as we forgive, are we serious? What forgiveness to do we need to offer in order to truly receive it.
- ◇ **The Prayer:** As you pray the Lord's Prayer this week, focus on the need for bread for today. What does God's will look like, and what would it look like on earth?
