THINKING ABOUT THIS WEEK

- What is the music of your faith? What songs inspire and inform your faith?
- If you have a hymnal, read the lyrics of some of your favorite hymns. Read the lyrics of some of Charles Wesley's hymns. Think about the meaning of the words apart from the music.
- As we read through a difficult part of Ephesians, remember that the section started with the idea of singing together. How can music bind us and help create community?

PREPARING FOR NEXT WEEK

- John Wesley famously said, "The world is my parish." He said this because he was getting kicked out of churches for preaching with too much enthusiasm. What parts of the world speak to your soul?
- If we could leave the church, where should we be preaching? How can we be connected to other churches?
