### THINKING ABOUT THIS WEEK

- What does it mean to be a connectional church? How have our denominational ties, organizations, agencies, etc., helped our congregation?
- What are the benefits and struggles of being connected?
- What are ways that we can grow our connection here in the Quad Cities?

### PREPARING FOR NEXT WEEK

- The Revised Social Principles are available online. If you go to the website [umcjustice.org](http://umcjustice.org), there is a link to download the entire document. It is a 43-page booklet that is divided into four parts.
- The Revised Social Principles represent 8 years of work with input from over 4000 individuals. The main writing team was made of people from around the world. As you read this document, what does it say about who we are as United Methodists?
